A. Develop the agenda for the March 17, 2014. (see separate Agenda Document)

To do list for the meeting:

- Doug and Wendy will locate the 2012 MiPHY data

B. The Steering committee meeting in April will be April 8th not April 1st at 6 pm in

C. Discussion of Business Expo – March 15, 16th

- Does CWF have any giveaways – pedometers or something
- Farmers market will have a flyer or something
- Most Teens Don't will have information
- Walking Maps
- What else?
- Vegetables and fruit as snacks

D. Andy's Angels Benefit Dinner. Mike Hirst announced that he has seats available that have been paid for. If you are interested in attending, contact Mike. Should the coalition sponsor a \$500 table? Ruth will ask Matt to address this question.

E. Wendy handed out copies of the Jackson 2020 documents (available on their website).

E. 5 Year plan discussion

- 5 year plan provides the high level view of where the coalition is going, should include:
 - the coalition's mission and vision (already have this)
 - goals based on the data that will be prioritized at the March 17th meeting
 - specific aims or objectives related to the goals.
 - Does not list the interventions.
- Format for 5 year plan – **Short**, this will not be a long document. Instead something short that could be handed out to people, and also included in the yearly plans
- Once the coalition has decided on the goals and objectives, Ruth and Matt can draft the 5 year plan

"The question is: shall we follow the 5 year, 20 million dollar, 500 page task force recommendations, or just wing it as we go along?"
